

FAMILY ENGAGEMENT

Family engagement enriches a child's experience in Discovery Club. There are various opportunities for families to become engaged with their children. Families may participate in any of the following ways:

- Daily communication with the teacher
- Attend parent-child-teacher conferences
- Participate in field trips with your child (may require fingerprinting)
- Participate in program family events
- Attend site parent meetings

Families are encouraged to share in their child's Discovery Club experience in the following ways:

- Share cultural customs with the classroom
- Share a skill or occupation you have with the children
- Collect and share materials for art projects
- Discuss classroom experiences with your child
- Show an interest in your child's art work and projects
- Attend parent meetings, parent-child-teacher conferences, and family events
