

System of Professional Growth Practitioner Training Dates 2019-2020

Welcome to the System of Professional Growth (SPG). An important first step in beginning the SPG process is training. Whether you are returning to SPG or are new to this process, there are several training options for you to consider. They are listed below.

Training for Practitioners Returning to the System of Professional Growth

Practitioner Refresher Training – Online: This online course is available for two hours of professional growth. It will review the basics of SPG and Event #1. It is designed for practitioners who are returning to SPG.

Practitioner Refresher Training – Face to Face: This course is available for two hours of professional growth. It will review the basics of SPG and Event #1. It is designed for practitioners who are returning to SPG.

Practitioner Refresher Training through the Lens of an Essential Element – Face to Face. This course is available for two hours of professional growth. It will take a deep dive into one of the Essential Elements. **(New this Year)**

Need a Focus Area? – This course is available for two hours of professional growth. It is designed to support practitioners with selecting a focus area and will share options available for deeper dives in your practice. **(New this Year)**

Training for Practitioners Who Are New to the System of Professional Growth

Practitioner One Day Training – This 6-hour course is available for those *new to the SPG process* and may receive either professional growth hours or pay. It will prepare you for active participation in the System of Professional Growth.

Practitioner Two Day Training – This 12-hour course has limited availability and is for those *new to the SPG process* and may receive either professional growth hours or pay. It will provide a deep dive into the processes and protocols for the System of Professional Growth.

Practitioners with Specialized Rubrics

Specialized Training – This 6-hour course is available for either professional growth hours or pay. The rubrics for specialized groups will be explored. Specialized groups are nurses, social workers, teacher librarians, instructional support staff, counselors, and speech pathologists.

San Juan
Unified School District

System of Professional Growth

San Juan Unified School District's System of Professional Growth balances evaluation, supervision and reflection to empower practitioners to reflect on evidence and chart their own path to deeper expertise.

OUR GOAL IS TO CREATE A CYCLE OF CONTINUOUS GROWTH.

- Shared language of professional practice through our Essential Elements
- Developmental feedback through the use of video, observations, multiple measures and analysis of student work
- The use of protocols and purposeful reflection to create a collaborative environment to support growth

START HERE. GROW HERE. ACHIEVE HERE.
