

SPG Facilitator Fall/Winter Seminar Series

★ Customizing Support for Practitioners: The Intersection of Aptitude and Attitude

This seminar will share strategies for customizing support for practitioners by reflecting on their levels of knowledge and skills and their confidence as a learner.

Monday, Sept. 9th - San Juan High School - Room B10 - 8:30 - 10:00

★ Coffee and Caseload Challenges (without naming Names)

This is an opportunity to share ideas and resources with each other in supporting the practitioners on our caseloads.

Monday, Sept. 23rd - San Juan High School - Room B10 - 8:30 - 10:00

Monday, Oct. 21st - San Juan High School - Room B10 - 8:30 - 10:00

★ Gathering Meaningful Data - It's More than Just Scripting

This seminar will focus on 4 types of evidence that can be gathered in a formal observation and strategies for determining "How much is enough?"

Monday, Oct. 14 - San Juan High School - Room B10 - 8:30 - 10:00

★ Learning-focused Conversations: Moving Practitioners in their Development of Expertise

This seminar will share strategies to support practitioners in their development of expertise (intentional teaching).

Monday, Nov. 4th - San Juan High School - Room B10 - 8:30 - 10:00

SYSTEM OF PROFESSIONAL GROWTH (SPG)

A CYCLE OF CONTINUOUS GROWTH

3 YEARS

SPG launched in the 2016-17 school year, in partnership with the San Juan Teachers Association.

3,500 PEOPLE TRAINED

Thousands of teachers and administrators have been trained through the SPG in the past three years.

14 DEDICATED STAFF

SPG currently has a staff of 14 to support practitioners, including 12 peer facilitators.

"SPG has encouraged me to take a look at my professional goals and apply them every day."

VOICES FROM THE FIELD

"SPG provides opportunities to evaluate my practice based on specific criteria and providing proof allows me to see important growth areas."

"I improved the way that I teach because of the SPG process."

START HERE. GROW HERE. ACHIEVE HERE.
