## Welcome to Cameron Ranch Elementary!

I've been teaching elementary school since 2006 with experience in grades TK, Kindergarten, 1st and a 1st/2nd Combo. I'm excited to be your child's teacher and I look forward to our year together. My husband is also a teacher and combined we have three daughters ages 12, 20, and 24. I love nature, reading, writing books for young children, and spending time with family and friends.

For online learning our class will be using SeeSaw and Google Classroom. Instructional materials, learning tools and a binder full of learning games will also be sent home. Please keep these in a safe place so your student will be able to use them during our learning time.

Please connect with me by email, or by calling the school office. I look forward to our year together and can't wait to meet you.

Sincerely,  
Joanna Rowland
