Hello Fabulous Falcons!

I am so excited to be your second grade teacher! We are going to have a great year filled with learning and growth. Though starting the year with distance learning will be a new challenge for all of us, we will be creative and flexible in building our classroom community. I love teaching second grade because we get to read chapter books, play fun math games and work on science and art projects. I'm excited for a great year with you!

Warmly,
Mrs. Herskedal
