**Addendum #1**  
**BP # 21-118**  
**Tree Maintenance Services District Wide**

This Addendum has been prepared to clarify, modify, delete, or add to the bid documents for the above referenced project, and revisions to items listed here shall supercede description thereof prior to the above stated date. All conditions not specifically referenced here shall remain the same.

Acknowledge receipt of this addendum by inserting its number and date in the bidding documents. Failure to do so may subject bidder to disqualification.

All addenda items refer to the bid documents unless specifically noted otherwise.

**Bidder Questions and Answers:**

1) Q: On the quote on number 11-13 what size of tree do you need the quote for?

A: The cost would be by DBH inch. Overall size of the tree is irrelevant for bidding purposes.

2) Q: Question is about the Average Unit Price. What do you mean per tree, or per day?

A: The winning bid will be determined by the average unit price. This means that all costs submitted (lines 1-26) will be added together and divided by 26 to find the average unit price. Low price will be apparent low bidder.
