**Bidder Questions and Answers:**

- 1) On Q: Clarification on Question/Answer #2. You stated that the unit prices will be added up and then divided by "26." Please note that Line Item #23 actually has 3 unit prices within, therefore wouldn't the average be divided by "28" ?

A: Line 23 is a single line. Those costs shall be added together to create the line cost for line 23. The previous answer prevails.
